## 1. GENERAL PROVISIONS

- 1.1. This Procedure for the Preparation and Verification of the Key Investment Information Document ("**Procedure**") of Inrento UAB ("the **Company**") sets out:
  - 1.1.1. requirements for the key investment information document and its preparation;
  - 1.1.2. procedures for verifying the completeness, correctness and clarity of the information contained in the key investment information document.
- 1.2. The Procedure shall apply to the preparation and verification of the Key Investment Information Document in accordance with Article 23 of Regulation (EU) 2020/1503 ("the **Regulation**") for investors in a crowdfunding platform operated by the Company.
- 1.3. These Procedures have been drawn up in accordance with the requirements of the Regulation and other legislation applicable to the Company.

## 2. TERMS USED IN THE PROCEDURE

- 2.1. For the purposes of these Rules, the following terms shall have the meanings set out below:
  - 2.1.1. **The Company** - UAB Inrento, legal entity code 305519977, registered office at Kauno g. 22-501, Vilnius, LT-03212, Lithuania;
  - 2.1.2. **Identifier** - a standardised, immutable and unique identifier for the relevant crowdfunding offer;
  - 2.1.3. **Investor** means a natural or legal person who has submitted an investment offer via the Platform and who has duly registered on the Platform;
  - 2.1.4. **Investment Background Document (the "Document")** means a document prepared by the Project Owner for a specific crowdfunding project in accordance with the format set out in Annex 1 to these Procedures for the benefit of prospective Investors;
  - 2.1.5. **Platform** - a crowdfunding platform managed by the Company;
  - 2.1.6. **Project owner** - a legal or natural person (entrepreneur) seeking funding through the Platform;
  - 2.1.7. **Regulation** - Regulation (EU) 2020/1503 of the European Parliament and of the Council on European Business Crowdfunding Providers and amending Regulation (EU) 2017/1129 and Directive (EU) 2019/1937;
  - 2.1.8. **Procedures** - these are the procedures for preparing and verifying the key investment information document.
- 2.2. Other terms used in these Rules shall have the same meaning as defined in the Regulation. Unless the context otherwise requires, words used in the singular in the Regulations shall include words used in the plural and vice versa.

## 3. THE KEY INVESTMENT INFORMATION DOCUMENT AND THE REQUIREMENTS APPLICABLE TO IT

- 3.1. The document must in all cases be prepared by the Project Owner in accordance with the format set out in Annex 1 to these Procedures.
- 3.2. The information in the Document must be presented in an easy-to-read manner so that it can be understood also by Investors with no experience. The Document must:
  - 3.2.1. correct;
  - 3.2.2. clear;
  - 3.2.3. not misleading; and
  - 3.2.4. it must not contain any footnotes, except for references to the applicable law, including (where relevant) citations.

- 3.3. The Key Investment Information Document shall contain an Identifier, which shall be created as follows:
  - 3.3.1. the Company's ISO 17442 legal entity identifier (LEI code);
  - 3.3.2. an additional code consisting of eight numeric characters generated by the Company, which shall be unique for each crowdfunding offer published on the Platform.
- 3.4. The identifier remains unchanged by minor changes, updates or translations to the Document.
- 3.5. The Key Investment Information Document may contain active references to other documents that supplement the information contained in the Document. However, such active references shall in no way replace the information required to be provided in the Document in accordance with these Rules and Annex 1 to the Rules.
- 3.6. The information contained in active links in the Document must be consistent with the information contained in other parts of the Document, and the external resources to which the link is made must be freely and easily accessible.
- 3.7. The KIID sets out the main risks associated with a particular crowdfunding proposal. The main risks to be included in the Document are set out in Annex 1 to these Procedures. The risk information set out in Annex 1 of the Schedule must be supplemented in the light of the specific crowdfunding proposal.
- 3.8. The description of the risks associated with a particular crowdfunding proposal must be relevant to that particular proposal and must be made solely for the benefit of prospective Investors.
- 3.9. The description of risks does not make general statements about investment risks and does not limit the liability of the Project Owner or any persons acting on its behalf.
- 3.10. The financial statements and other financial information set out in Annex 1 to this Schedule shall be presented in accordance with International Financial Reporting Standard ("IFRS") or Generally Accepted Accounting Principles ("GAAP").

#### **4. DOCUMENT VERIFICATION**

- 4.1. Each Document prepared by the Project Owner shall be reviewed by the Company for completeness, correctness and clarity prior to its publication on the Platform.
- 4.2. The verification of the Document shall be the responsibility of the Company's staff member conducting the credibility assessment of the relevant Project Owner.
- 4.3. During the examination of a document, the person responsible shall take a detailed look at the content of the document and assess the following aspects:
  - 4.3.1. whether the Document is drawn up in accordance with the form set out in Annex 1 hereto;
  - 4.3.2. whether the Document complies with the other requirements set out in Chapter 3 of these Procedures, the Regulation and other applicable legislation;
  - 4.3.3. whether the information contained in the Document is consistent with the Company's knowledge of the specific Project Owner and the Crowdfunding Project;
  - 4.3.4. that all the information in the Document is clear and understandable;
  - 4.3.5. whether the information provided in the Document is sufficiently complete and does not raise additional questions.
- 4.4. If the Responsible Person identifies any deficiency in a Document in accordance with the aspects set out in clause 4.3, such Document may not be published on the Platform and must be corrected accordingly.

#### **5. PUBLISHING THE KEY INVESTMENT INFORMATION DOCUMENT ON THE PLATFORM**

- 5.1. The publication on the Platform of the relevant crowdfunding offer must also include the Key Investment Information Document for that offer, prepared and verified in accordance with the requirements of these Procedures.

5.2. The Project Owner must notify the Company of any changes to the information to ensure that the Key Investment Information Document contains the most up-to-date information at all times during the period of the Crowdfunding Offer.

Page 2 From 9

5.3. The Company shall promptly notify Investors who have made an offer to invest or expressed an interest in the relevant crowdfunding offer of any material changes to the information contained in the Document.

5.4. If, after the publication of a Document on the Platform, the Company determines that the Document contains omissions, errors or inaccuracies that could materially affect the expected return on investment, the Company shall promptly notify the relevant Project Owner of such omissions, errors or inaccuracies and the relevant Project Owner shall promptly supplement or correct such information.

5.5. If the addition or correction provided for in paragraph 5.4 of this Schedule is not made promptly, the Company shall suspend the crowdfunding offer until the Key Investment Information Document has been completed or amended, but for a maximum period of 30 (thirty) calendar days.

5.6. The Company shall immediately notify Investors who have made an offer to invest or expressed an interest in a crowdfunding offer of the circumstances referred to in paragraph 5.4 of the Schedule, the actions taken and to be taken by the Company, and the possibility to withdraw the offer to invest or the interest in a crowdfunding offer made by them. If, after thirty (30) calendar days, the Document is not completed or corrected to remove any identified inaccuracies, the Crowdfunding Offer shall be withdrawn.

## **6. FINAL PROVISIONS**

6.1. The proper implementation and control of the Procedure shall be the responsibility of the Company's CEO.

6.2. Amendments and/or additions to these Rules shall enter into force on the day following the date of their adoption, unless a different effective date is specified.

6.3. The Company's Manager shall ensure that the Company's employees are informed in a timely manner of changes and/or additions to the Procedure.

6.4. All employees of the Company shall be made aware of and shall comply with these Procedures and any amendments thereto.

**Part C: Main risks Description of the main risks**

Complete this section by describing the main risks associated with the crowdfunding project, taking into account the main risks listed below.

The following is not an exhaustive list of the main risks. Any other material risks relating to the crowdfunding project, the crowdfunding offer, the project owner, transferable securities and instruments or loans accepted for crowdfunding purposes are also described in this Part C.

**Type 1 - Project risk**

Risks inherent in the project that could lead to its failure. These risks may relate to, inter alia: (i) project dependencies such as financing, legal dependencies, licensing, copyrights; (ii) the occurrence of adverse scenarios with negative impacts; (iii) the development of (technological) competitors or competing products; or (iv) risks emanating from the project owner. **Type 2 - sector risk**

Sector-specific risks. Such risks may be caused, for example, by changes in macroeconomic circumstances, reduced demand in the sector in which the crowdfunding project operates, and dependence on other sectors.

The project sector is described using the taxonomy described in Article 2(1)(a) of Regulation (EC) No 1893/2006 of the European Parliament and of the Council<sup>5</sup> (i.e. the first level of classification).

**Type 3 - default risk**

The risk of bankruptcy or other insolvency proceedings against the project or the project owner, and other events related to the project or the project owner that could result in the loss of investment by investors.

Such risks can be caused by a variety of factors, including but not limited to: a (significant) change in macroeconomic circumstances, mismanagement, inexperience, fraud, financing that is not aligned with the business objective, failure to bring the product to the market, lack of cash.

**Type 4 - risk of lower returns, delayed returns or no returns**

The risk that returns will be lower than expected, delayed or that the project will not provide capital or interest.

**Type 5 - risk of platform failure**

The risk that the crowdfunding platform may be temporarily or permanently unable to provide its services.

**Type 6 - illiquidity risk of the investment**

The risk that investors will not be able to sell their investments.

**Type 7 - other risks**

Risks that are, inter alia, beyond the control of the project owner, e.g. political and regulatory risks.

<sup>5</sup> Regulation (EC) No 1893/2006 of the European Parliament and of the Council of 20 December 2006 establishing the statistical classification of economic activities NACE Rev. 2 and amending Council Regulation (EEC) No 3037/90 as well as certain EC Regulations on specific statistical domains, OJ L 393, 30.12.2006, p. 1.
